Mrs. Mariam

Dear Mrs.

The Catholic people living in central and western Oklahoma and the Panhandle do indeed have an official, authoritative and pastoral community network. It is called the **Archdiocese of Oklahoma City**.

Your efforts at restructuring the Catholic communities, although well intentioned, are not in harmony with the programs of our Archdiocese. In fact, they are causing consternation. Do not spend your time or efforts reacting to a perceived threat. Rather, share the Good News of Jesus with your brothers and sisters of this Archdiocese in our proper parishes and ministries.

Thank you for your attention to this matter and God bless you.

Sincerely yours in Christ,

+ *Eusebius J. Beltran*
