

We sincerely thank the Archbishop for his responses to our petitions.  
We agree with him!

**Initially:**

We offered in our petitions, to form a lay-faithful Catholic Community Network (CCN) **as an option** to joining the Oklahoma Sponsoring Committee (OSC/IAF). The Archbishop then clearly states in his responses to us, that we already have these ministries established in the Archdiocese of Oklahoma City. **This confirmed our initial thoughts and We AGREE with him!**

**Still** however, some feel the need for services from the OSC/IAF.

**Now:**

As stated above the services like the OSC are already provided by the Archdiocese of Oklahoma City. So we withdrew our option as we offered in our petitions. The Catholic Community Network (CCN) are **now** a small **Voice of FAITH**. We will present the faith, facts, thoughts, ideas and opinions then **YOU** make the decision.

Now more than ever, we encourage you to **stay informed and be involved with your church!**

\*There is no better time than **now** to **PRAY**. The **Rosary** is a wonderful way to meditate on the *Birth, Life, Death and Resurrection* of Our Lord.

**Be Strong, PRAY Strong, Keep the Faith!**

*Love being Catholic!*
